1 次の英文を読んで下の間に答えよ。

It's an exciting year for London. (1)There's a festival atmosphere everywhere, from streets and parks to piazzas and the river. Hosting the 2012 Olympics Games and Paralympic Games has been the catalyst for east London to blossom into a new leisure destination, and in this guide we pick out highlights in this part of the capital, as well as centrally located attractions.

Queen Elizabeth II's Diamond Jubilee and the re-opening of the Cutty Sark in Greenwich have added to the celebratory tone of many current exhibitions at the city's iconic galleries and, adding to the already busy calendar of annual highlights, from Wimbledon in the summer to the winter's London Film Festival. (2)We hope this guide will help you make the most of this special time in London.
